\*\*\* The Age Group Head Coach listed will coach the Premier team in that age group and will oversee the tryout process for that group. Head coaches for Select teams will be assigned and announced as we determine that there are enough players to field more than one team in a given age group. It is our hope to field multiple teams in all age groups.

\*\*\* U10 and U11 are Academy age groups which do not attend tryouts.

\*\*\* Coaching assignments are subject to change.
